

## ***Dear precious brothers in Jesus,***

I greet you on the name of our Jesus Christ. Let God's grace be upon you and your families.

On the 1st of May it was celebrated the Easter in Moldova. During one week after Easter it is celebration. Due to this thing MCF Moldova decided to use this opportunity and to share about Easter, about the great love of Jesus. On the 3rd of May, 2005 we had a meeting with officers with high ranks from Minister of Police, there were participated Vice Minister of Police Iurie Cozma, an orthodox priest and many war veterans and others. We have given them newspapers "Cuvantul Vietii" in which is written Eduard Rosca's testimony. And we also have given as a book "The Christian Military and Police" to each person. Also they allowed us 10 minutes to introduce the association MCF.

They were very interested to find out more about what God is doing among the people from army, police and custom officers. From the discussion which we have had with the Vice Minister of Police, Lct-Col Iurie Cozma, he showed great interest in the book “The Christian Military and Police” and he asked what would be the possibility to distribute that book to all policemen from Moldova.

**PLEASE PRAY THAT GOD WILL BLESS US TO BE ABLE TO PRINT MORE BOOKS**

Also in the evening on the 3rd of May we had an evangelization with around 350 solders to whom it was shared from God's word trough the Professor of Precept Ministries International Valerie Moisei, who made his military service in Afghanistan, he shared about his life, his experience and from the Bible. It was such a blessed time and God touched the heart of many solders.

Please continue to pray for the evangelizations which we are going to do among military people and police from Moldova and that God will strengthen and will renew the leaders of MCF Moldova.

With Jesus love  
Eduard Rosca
